

Online Booking System

We have an online booking system which allows quick and easy bookings as well as seeing when courts are available.

To access the system you will need to create an account on www.openresa.com/gba or scan the QR code on this poster.

You can access the system through your mobile phone / tablet or web browser on PC

Creating an account

Creating an account is fairly straightforward, simply visit www.openresa.com/gba and click on the "Sign up" or "Create my account" button then follow the instructions.

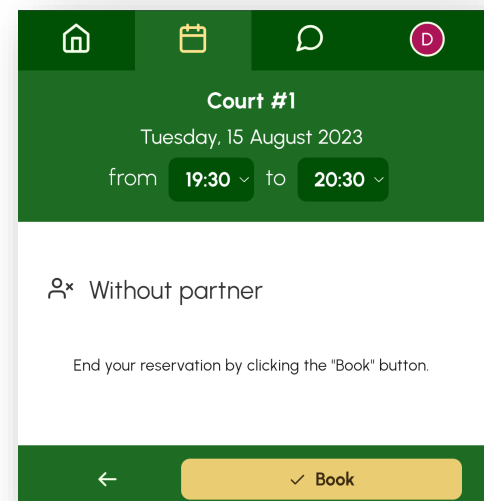

You will need to confirm your email address as this is where your login information will be sent.

Booking a Court

Once you have logged in you will be met with the calendar, from here you can see what courts are available and book a court by clicking on an empty slot.

Simply select the start and end time then click book.
You will receive an email confirmation of your booking.

If you have any issues or questions please contact us via:
support@badminton.org.gg

Using this system only reserves a court. You will still need to buy a token for the lights or feed the meter.
